If the above packages are not what you are looking for, we can work with you to create a bespoke package for your wedding.

Please make an appointment with our team and we can discuss your individual requirements.

Bank Holidays are priced as a Saturday in the given month.

All bedrooms are charged independently of the package price and must all be paid for under your contract.

If you book your wedding date 12 months in advance, then we will add on any increase in our prices for the subsequent year or years and will inform you of this price increase. Any increase in price will be capped at 20% of the original prices including VAT.
